PROPERTY UNDERWRITING DOSSIER · INDUSTRIAL AREA MANUFACTURING CORRIDOR

Lead Underwriter: Kenya Re Treaty & Facultative Division
Portfolio Name: Enterprise & Lunga Lunga Manufacturing & Warehousing Hub
County / Ward: Nairobi County · Industrial Area / Makadara Sub-county
Aggregated TIV: KES 6,450,000,000
Peril Focus: Pluvial Flash Flood & Ngong River Basin Fluvial Overflow

Asset ID	Property / Facility Name	Typology	TIV (KES)	Flood Depth	Lat, Lon
IND-101	Enterprise Cold Chain Logistics Center	Permanent Masonry	1,200,000,000	0.85 m	-1.3120, 36.8540
IND-102	Lunga Lunga Steel Fabricators Yard	Semi-Permanent	850,000,000	1.10 m	-1.3155, 36.8620
IND-103	Commercial Street Packaging Hub	Permanent Masonry	950,000,000	0.65 m	-1.3090, 36.8480
IND-104	Nairobi River Basin Textile Depot	Semi-Permanent	620,000,000	1.45 m	-1.3180, 36.8670
IND-105	Dakar Road Plastics Manufacturing	Permanent Masonry	780,000,000	0.75 m	-1.3135, 36.8590
IND-106	Bandari Road Agro-Chemical Stores	Permanent Masonry	1,100,000,000	0.55 m	-1.3060, 36.8510
IND-107	Likoni Road Auto Assembly Depot	Concrete RCC	950,000,000	0.40 m	-1.3040, 36.8440

Actuarial Hazard Analysis:
Assets IND-102 and IND-104 are situated in historical depression floodways adjacent to the Ngong River. In the 50-year pluvial event, flood depth is projected to exceed 1.1 meters, causing extensive damage to raw inventory and ground-level machinery. Recommended treaty condition: 15% special flood deductible with a 30-day waiting clause during the March-May Long Rains.
